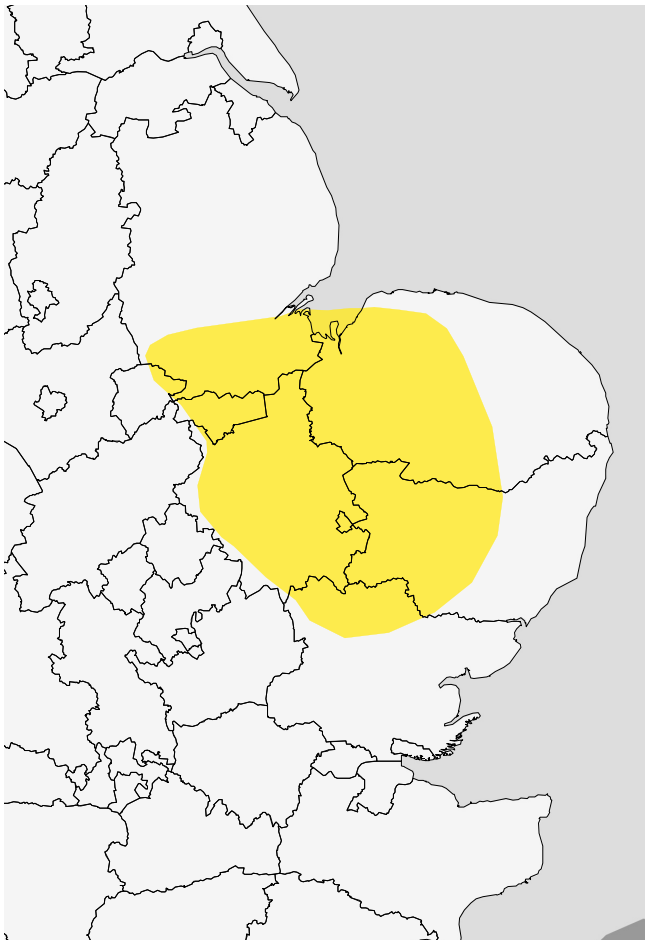
Yellow warning
Rain

Between
14:00 Fri 25 May 2018 and
21:00 Fri 25 May 2018



Thunderstorms may develop this afternoon and evening leading to some heavy rain and lightning.

What to expect

- There is a small chance that homes and businesses could be flooded quickly, causing damage to some buildings
- Where flooding or lightning strikes occur, there is a slight chance of delays or cancellations to train and bus services
- Spray and flooding could lead to difficult driving conditions and some road closures
- Where flooding or lightning strikes occur, there is a slight chance of power cuts and loss of other services to some homes and businesses

Further details

Isolated thunderstorms later this afternoon and early evening could give as much as 20-30 mm of rain in an hour before slowly dying out during the late evening. As is often the case when thunderstorms are forecast, many areas will miss the storms. However where they do occur, torrential rain is quite likely, and with hail in a few places.

Very low likelihood of medium impacts
